

## **Tornado Prep Checklist**

Historically, Texas has more tornadoes each year than any other state. Ensuring you're ready before severe weather arrives can put your mind at ease. Download and print this checklist to help you prepare. And be sure to listen to your local officials for important information.

Create an emergency kit  At a minimum, stock up on these essentials and customize	e based on your family's sp	pecific needs.
Tip: Pack your essentials in plastic bins for easy organization	on and access.
